Subscription Fee Policy

Introduction

KYDZ uses Subscription Fees to subsidise the venue hire fees incurred each time we meet. The Subscription Fee by no means covers the hire costs of the venue each year but are essential to securing the long term future of KYDZ.

Who has to pay?

All Acting Members, regardless of age, are required to pay the subscription fee. Non-Acting members (eg, the Leadership Team, Technical Team, Committee) are **not** required to pay the subscription fee.

What charges apply?

The following charges apply on a monthly basis:

1. £7.00 per month for 1 x Acting Membership
2. £11 per month for 2 x Acting Membership or more (within same immediate family)

When do the charges apply?

The Subscription Fee applies **year round**.

How can I pay?

1. Direct Debit is the quickest and easiest way to pay for your child's Subscription Fee. You are fully protected by the UK Banking Industry's Direct Debit Guarantee and there is no commitment meaning you can cancel at any time.

2. If, for a genuine reason, you cannot pay by Direct Debit, we will discuss other payment methods with you

What happens if I miss a payment?

You are unlikely to miss any payments if you set up a Direct Debit, however if you pay by other methods and do miss a payment, it will be added onto the next month's "bill".

As per our Constitution, if your payment becomes more than 12 weeks overdue your child(s) Acting Membership may be terminated.
